The first cry when / a baby is born

C

The silence when you're / all alone

Wind in the trees / in the middle of the night

A sigh when you're holding / someone tight

A piano playing / a beautiful tune

Church bells ringing / around at noon

A thousand voices / in harmony

All make / a perfect melody

Listen to the sounds / of change

And your life will never be the same

Rolling waves / upon a shore

A good friend knocking / on your door

Tapping feet / dancing away

Falling rain / in the middle of the day

ABC on a xylophone

The ticking clock / when you're coming home

Songbirds singing / in a tree

All make / a perfect melody
